President of Spelman College Visiting Marshall Center Wed.

Dr. Audrey F. Manley, president of Spelman College, is visiting MSFC Wednesday. Following a visit with Center Acting Director Carolyn Griner, Manley will tour the Space Station Manufacturing and Assembly Facility and attend a briefing on the Microgravity Research Program. She is here in Huntsville to participate in the University Research Center Technical Conference.

Afro-Academic Student Awards Program, 1:30 p.m., Wed. in Morris Auditorium

Observe Thursday's Solar Eclipse on Space Sciences Lab Web Site

The Marshall-managed Ultra Violet Imager (UVI) will provide real-time images of the solar eclipse to the SSL website Thursday. The eclipse occurs from 11:19-1:09 p.m. CST Thursday and the images can be viewed at www.ssl.msfc.nasa.gov/.

Biophysical Meeting Showcases MSFC Biotechnology Capabilities

Marshall biotechnology scientists are attending the annual Biophysical Society Meeting in Kansas City this week. They are staffing an exhibit and discussing with private industries and universities how space research can lead to better health care, including new medical treatments and disease-fighting drugs.

MSFC Welcomes ISO 9000 Auditors, Feb. 25 - 27
